

These plants have demonstrated varying levels of salt tolerance

High Salt Tolerance

Ammophila breviligulata
Muhlenbergia capillaris
Panicum amarum 'Dewey Blue'
Solidago sempervirens
Spartina patens

Solidago sempervirens

Moderate Salt Tolerance

Achillea millefolium
Andropogon gerardii
Asclepias tuberosa
Iris versicolor
Monarda punctata
Panicum v. 'North Wind'
Panicum v. 'Prairie Sky'
Panicum v. 'Rotstrahlbusch'
Panicum v. 'Shenandoah'
Parthenocissus quinquefolia
Penstemon digitalis
Penstemon digitalis 'Husker Red'
Schizachyrium scoparium
Scirpus pungens
Sorghastrum nutans
Verbena hastata
Waldsteinia fragarioides

Low Salt Tolerance

Andropogon glomeratus
Baptisia alba var. alba 'Wayne's World'
Baptisia australis
Bouteloua curtipendula
Carex comosa
Carex stipata
Coreopsis verticillata
Coreopsis verticillata 'Moonbeam'
Coreopsis verticillata 'Zagreb'
Deschampsia caespitosa
Echinacea p. 'Magnus'
Echinacea p. 'Ruby Star'
Echinacea purpurea
Hibiscus coccineus
Hibiscus moscheutos
Juncus effusus
Juncus tenuis
Liatris spicata

Low Continued

Panicum v. 'Cloud Nine'
Panicum v. 'Heavy Metal'
Panicum virgatum
Rudbeckia fulgida 'Goldstrum'
Rudbeckia fulgida v. deamii
Rudbeckia fulgida v. fulgida
Rudbeckia hirta
Scirpus acutus
Scirpus validus (tabernaemontani)

Deschampsia caespitosa

These additional plants have demonstrated some degree of salt tolerance

Acorus calamus
Asclepias incarnata
Asclepias incarnata 'Ice Ballet'
Aster novae-angliae

Caltha palustris
Carex stricta
Heuchera americana
Monarda fistulosa
Scirpus atrovirens

Scirpus atrovirens

Asclepias tuberosa
